Attached is the available file on the would-be applicant,

He appears to have been recruited for the OG's in the OSS. However, many of the OG's transferred into other STATOTHR branches and the file does not indicate precisely how served.

I have no personal knowledge of this case nor, apparently, has General Donovan who sent it to me.

2. You will note that I have acknowledged to General Donovan so if you are interested, I should think it would be appropriate for you to approach directly.
